**NAPA ANNOUNCES PARTICIPATION IN “CONCERT
ACROSS AMERICA TO END GUN VIOLENCE”**

Nationwide event to be held Sunday, Sept. 25, 2016

Napa, California (September 19th, 2016) - A group of concerned private citizens in Napa have announced participation in the national Concert Across America to End Gun Violence, scheduled for Sunday, September 25, 2016. The Napa event, to be hosted in warehouse event space by Richard Von Saal Designs, will be one of 350 concerts held across the U.S., each connected via social media and online at www.ConcertAcrossAmerica.org. The event will be free starting from 6:00pm.

“The response has been incredibly positive with everyone happy to donate. We have premium wine from supportive local vintners, music by a local rock and roll band, People of Earth, and student volunteers from New Tech High and Justin Siena. Michael Rupprecht, a junior at Justin Siena will also be performing original songs during the event.” Says Hilary Wendel, the organizer of this event. “I am not part of any political organization and it is not supposed to be a controversial or political event. I simply wanted us to be on the map for this demonstration of solidarity for victims of gun violence. Whether you are a gun owner or not, we can all agree that the gun violence must end.”
