The leaders and members of Saint James Presbyterian Church are excited to share this musical event with the community, said Reverend Moffett. “As we experience the horror of gun violence throughout our communities and this nation, it is my hope that Saint James members and the greater community will work towards justice and be instruments of peace, doing all that we can

to prevent the senseless violence of lethal weapons that snatch up the lives of our loved one and friends,” Rev. Moffett said.

About the Concert Across America

The Concert Across America will take place on Sept. 25, the date designated by Congress in 2007 as a day of remembrance for murder victims. This nationwide event will bring together a network of organizations, activists and artists with the dual goals of keeping guns out of dangerous hands and making the issue of illegal guns top of mind for members of Congress, the presidential candidates, and the American people as they go to the polls in November 2016. Boston was the first city to announce, spearheaded by [Stop Handgun Violence](#). For more information, visit www.RememberSept25.org.
