Nothing More

It is a giving of the peace in your mind to a stranger to a friend.

To be humble to be kind.

To give in such a way that has no end we are love, we are one, we are

How we treat each other when the day is done we are peace, we are war, we are

How we treat each other and nothing more.

And to be bold to be brave.

It is the thinking that the heart can still be saved and the darkness can come quick.

The danger's in the anger and in the hanging on to it we are love, we are one

We are how we treat each other when the day is done we are peace, we are war.
